NORTH BANK HELPS BUSINESSES MAKE GOOD IMPRESSIONS

The Ink Well printers in River North first began working with North Bank in 1998 when we **financed their purchase of new printing presses.**

Since then, The Ink Well has grown to provide printing services to all the River North area and beyond and North Bank continues to provide equipment financing and serves all their banking needs.

“North Bank has always been there for us, nurturing our growth and assisting us, even during the recent economic challenges. We rely on them as our partner and the helpful service they provide,” says Alvin Holtzman, owner.

“North Bank’s financing gave me the opportunity to open my practice in 1993, and they continue to serve my banking needs today...everything from credit facilities to online banking,” says Dr. Domanico.

“They provide the personal attention and service I would never expect from larger banks and that helps me serve my patients better,” he said.

AN OPEN & SHUT CASE... FOR NORTH BANK’S SERVICE

Lannon, Lannon & Barr, Attorneys, came to North Bank in 1998. In 2009, they closed their accounts with us and moved to 180 North LaSalle Street, opening new accounts at a bank closer to their office.

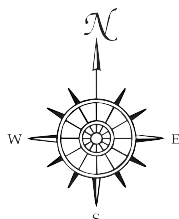

But after only a few months, they returned to North Bank. “North Bank is not like the larger banks...their staff is professional and friendly. And, they provide all the services we need to run our firm smoothly,” says Patricia Lannon Kus, founding partner.

You be the judge. Let us show how we can help your business, too.
